## Planning

There is no existing planning consent. The site within the settlement policy boundary of Kirkcudbright and is not identified for any particular use however there would be no planning policy objection to the site being developed for residential use.

Access on to St. Cuthbert Road would not however be permitted and access would require to be taken to the site from Millburn Street along the route shown cross hatched on the plan. Prospective purchasers should be aware that there is a public right of way from Millburn Street to the footpath leading to St. Cuthbert Road along the east boundary of the site. Both this right of way and the footpath must be kept following transfer of ownership.
